Commissioner for Patents

The reply filed on 3-23-2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant failed to properly respond to the restriction requirement. The examiner should have clarified it further that after electing Group I or Group II, then applicant must elect one of the species and indicate which claims read on the elected embodiment. If all the claims for the elected Group read on the embodiment then the examiner will deal with that in the next response and also respond fully to all of the applicant's arguments. Also, see the passages in the last office action about the obvious variants and the allowance of a generic claim. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
